Eurocopter Ec130 6 PAX VIP Single

About the aircraft

The EC130 is a new generation helicopter which will comfortably carry 6 passengers in 3/4 abreast configuration. The helicopter is sleek and quiet and is ideal for most helicopter tasks, as well as being an impressive corporate aircraft.

The EC130 offers great all round viewing and is versatile in having the power to land and take off in tight spaces.

The interior has been likened to that of an Aston Martin with a leather interior featuring sued inserts. The aircraft are all equipped with Bose noise cancelling headsets to allow great communication between the passengers.

The cockpit features a full digital layout adding to the whole space age modern look of this exceptional helicopter.

To book one of our EC130s please contact us:
+44 (0) 1737 823 733 or email ops@charter-a.com
